

WITMER MASONRY, INC. • WITMER WATERPROOFING, LLC

To Whom It May Concern:

I would like to take this opportunity to express my sincere appreciation for the services provided by Power Pro Equipment. As a key business partner to The Witmer Group for over 35 years, Power Pro Equipment has been an essential part of our success.

The Power Pro Team, including owners, salespeople, and technicians conduct themselves with honesty and integrity. The Power Pro service department is quick to respond to our heavy equipment repair needs. Equipment downtime is kept to a minimum because of Power Pro's efforts.

We look forward to working with Power Pro Equipment as both our businesses continue to grow, diversify and expand for years to come.

Regards,

Todd M. Witmer

President
